DESCRIPTION

The Skilful retractable USB-C cable is a compact ABS accessory (7.5 x 4.5 x 2 cm) delivering up to 100 W and featuring an integrated smartwatch charger compatible with Samsung® and Apple®. Its flat cable retracts into a sturdy housing with an attached keyring, making it easy to carry. The unit uses a USB-C inlet and has a matte finish for a secure feel.

Retractable design prevents tangling and protects the connectors; the keyring loop allows attachment to a bag or keys. Available in 1 colour (black). Care is straightforward — wipe with a microfibre cloth to remove dirt and marks.

This personalised charge accessory can be customised by digital printing, doming or pad printing and suits companies, clubs, events and promotional gifts. Minimum order: 80 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays and our studio can retouch or vectorise your logo.
