## DESCRIPTION

Compact square travel jewellery box designed to protect jewellery on the move. The case features a PU exterior with a soft velvet interior and measures 9.7 x 9.7 x 4.7 cm, secured by a zip closure. Its compact shape and plush lining keep rings, earrings and small items safe; the exterior wipes clean easily and the velvet interior can be gently brushed if needed.

The interior layout is practical: a padded ring roll, three open compartments and a flat pocket on the lid for finer pieces. Visible stitching and the zip detail in the photo indicate a construction suited to regular travel use and easy to slip into a handbag or wash bag.
