DESCRIPTION

The Safenest emergency kit groups tools and accessories in an RPET 600D insulated pouch and a semi-rigid protective case, suitable for travel and vehicle storage. The set includes a first aid pouch, a multifunction stainless steel tool and an emergency radio/LED torch with replaceable Li-Ion battery plus USB-C input and USB-A output. Its compact dimensions (23 x 12 x 20 cm) and carry handle make it easy to transport, while the semi-rigid case protects electronic items.

The zip closure and protective case provide straightforward access and secure storage for everyday use. The stainless steel tool offers long-lasting performance; the radio features clear controls and a retractable antenna for reception. The kit is available in 1 colour: Noir. Note that this is a promotional item with a minimum order quantity of 6 pieces (colours and sizes combined).

Customization options include screen printing on objects, multicolour transfer, DTF printing, flex, pad printing and laser engraving depending on the surface (pouch, hard case, steel tool). Ideal for companies, sports clubs, associations, events and client or staff gifts. Free quote within 24 hours on weekdays; smaller quantities possible with additional fees.
