Composition	Aluminium
Material	Aluminium
Average weight	0.03
Dimensions	100CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Compact USB-C to USB-C cable with an integrated smartwatch charging puck, model Arger. The 1 m braided cable features aluminium elements for a robust finish and supports data transfer up to 480 Mbps. Compatible with Samsung® and Apple® smartwatches, it is supplied in several colour options such as Black and White.

The one-metre length gives practical positioning flexibility while the USB-C connectors suit modern power supplies. The slim charging puck is discreet and convenient for mobile or desk use, and the aluminium details increase durability without adding bulk.

This product can be personalised by pad printing on the puck or cable housing, making it suitable for businesses, clubs, associations and events. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production, express options for in-stock items, and collection in Evere or delivery in Belgium, France and Luxembourg.
