DESCRIPTION

This 2-piece gift set includes a metal ballpoint pen and a keyring with a 2-in-1 charging cable (USB-A and USB-C input, 2x USB-C output). Presented in a rigid gift box, it suits corporate gifting and event giveaways. The pen has a straight, minimalist profile and the circular keyring neatly houses the multiple cable ends; the packaging is mainly paper and components are metal/plastic as visible. Care is simple — wipe with a dry cloth to keep the finish looking clean.

The set comes in several colourways, including black, and is supplied in a compact box measuring 21.5 x 10 x 3 cm, easy to store and hand out at shows or to clients. The tidy presentation ensures practical everyday use and straightforward distribution at events.

This personalised pen set can be customised by digital printing, screen printing on objects, laser engraving, pad printing (tampography) or doming, depending on the chosen location (pen, keyring or box). Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 25 pieces. Free quote within 24 hours on weekdays and a graphic studio is available to vectorise or adapt your logo.
