Reference	3158
Composition	Stainless steel
Material	Stainless steel
Average weight	0.271
Dimensions	Ø5,2 x 22,3CMM
Country of origin	China
Carton	24 pieces

DESCRIPTION

This 2-in-1 Molin salt and pepper mill is a stainless-steel kitchen utensil designed for everyday use. It features a central acrylic reservoir with two compartments and a ceramic grinding mechanism for consistent results without corrosion. Caps at both ends protect the grinders and make refilling straightforward. Compact dimensions Ø5.2 x 22.3 mm with a slim, cylindrical profile and a stainless finish for a professional look. Care is simple: rinse the acrylic section and wipe the steel clean; avoid dishwasher where indicated.

The slim shape provides a secure grip and the clear central window lets you monitor levels at a glance. Both ends detach for easy filling and maintenance, and the brushed stainless appearance integrates well into catering environments or as a promotional gift.

This item can be personalised by laser engraving, screen printing on object, digital printing and pad printing for companies, clubs, associations, events and private customers. Minimum order: 12 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo.
