DESCRIPTION

Compact kitchen utensil in ABS, the Vino Set combines a vertical electric corkscrew with its accessories (pourer, foil cutter and stopper with base). The tubular design and integrated buttons make bottle opening straightforward, while its small footprint (14x7x2 cm) keeps it easy to store. Smooth, rigid ABS is wiped clean; batteries (4x AAA) are not included.

The item is available in several colours and is sold with a minimum order of 10 pieces (colours and sizes combined). Suited to corporate gifts, hospitality events or tasting kits, its base keeps all accessories organised and ready for use.

Customize this personalised kitchen utensil using digital printing, doming or pad printing. Recommended for companies, clubs, associations and event organisers seeking a practical branded item; free quote within 24 hours on weekdays.
