DESCRIPTION

The Asta cutting board in acacia wood with a stainless steel handle is designed for both professional kitchens and home use. Measuring 34 x 20 x 1.5 cm, its rectangular shape keeps it compact for everyday food prep while acacia provides an attractive, warm grain. Care is straightforward: wipe clean and dry after use; suitable for slicing fruit, vegetables, bread and for serving aperitifs.

The stainless steel handle gives a secure grip and makes the board easy to lift without resting the whole surface on the worktop; straight edges and a sanded finish aid cleaning. This model is supplied in a natural wood tone in the stated size.

Personalisation by laser engraving is available to add a logo, name or design. Ideal for companies, restaurants, events, clubs and corporate gifts. Minimum order: 10 pieces (colours and sizes combined); free quote within 24 hours on weekdays. Standard production lead time is 10 working days; collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Personalised cutting board.
