DESCRIPTION

The Keybraid keyring pairs a 6 x 3 cm ABS tag with a braided polyester cord (17–19 cm) and a zinc-alloy split ring. Its compact overall size (21.5 x 3.2 x 1.3 cm) makes it easy to slip into a pocket or attach to a bag. The cord provides a secure grip while the ABS tag gives a durable, low-maintenance surface for marking.

Practical details include a main ring plus a secondary ring for organising multiple keys and a decorative knot that keeps the cord neatly in place. The tag's moulded finish improves wear resistance. Available in several colours such as black, red or royal blue, it is designed for frequent everyday use without bulk.

This personalised keyring can be marked using digital printing, doming or pad printing. Suitable for businesses, clubs, associations, events and promotional gifts. Minimum order: 200 pieces (colours and sizes combined) ; free weekday quotes and an in-house design studio can refine or vectorise your logo.
