DESCRIPTION

This 500 ml single-wall bottle is made from recycled stainless steel (90% recycled stainless steel, 10% stainless steel) and measures Ø6.8 x 19.5 cm, offering a compact, straight-sided profile for everyday use. It features a screw cap with an eyelet and an aluminium carabiner for easy carrying, and is designed to be leakproof. For longevity, rinse by hand to preserve the finish and sealing components.

The clean design and wide neck prioritise practicality rather than extra details such as pockets or fastenings. The bottle is available in several colour options, for instance Black, White or Royal Blue. Please note this item has a minimum order quantity of 25 pieces (colours and sizes combined).

Customise this personalised bottle using digital printing, screen printing on objects or pad printing — suitable for companies, sports clubs, associations, events and private customers.
