Carton	25 pieces

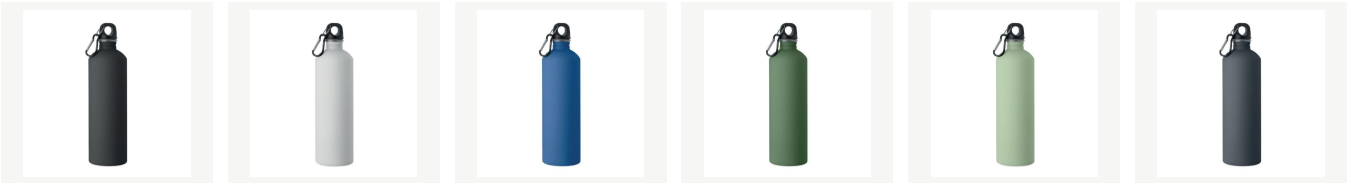

DESCRIPTION

The Rebig Moss Soft is a 750 ml single-wall bottle made from recycled stainless steel, designed for everyday use. Its slim, cylindrical silhouette and matte finish provide a secure grip; the screw cap features an integrated loop with an aluminium carabiner for easy carrying (carabiner not suitable for climbing). The bottle is leak-proof and ideal for taking cold drinks on the go.

Measuring Ø6.9 x 25.5 cm, the bottle has a clean, uncluttered design with no external pockets or protrusions, making it easy to stow in a bag or backpack bottle holder. It comes in several colours such as Black, White and Royal Blue, allowing you to select a look that matches your brand or event.

This personalised bottle can be customised by digital printing, screen printing on items or pad printing depending on the print area and finish required. Minimum order is 13 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and private customers. Free quote within 24 hours on weekdays and graphic studio support available to prepare your artwork.

COLOURS (6)

Black | White | Royal Blue | Dark Green | Mint green | Navy blue
