This writing set includes a ballpoint pen and a mechanical pencil finished in acacia wood, presented in a paper box with a wood-effect sleeve. The slim profiles and chrome metal accents provide a comfortable grip and practical daily use at the office or for events. Compact overall dimensions (17.3 x 5.4 x 2.3 cm) make it easy to store on a desk or in a drawer. Care is straightforward: wipe with a soft cloth and avoid prolonged exposure to moisture.

The sliding box protects the items and offers a neat presentation suitable for corporate gifting. The wooden construction gives a pleasant tactile feel and a natural look without complicated mechanisms; the set is user-friendly for staff, clients or volunteers.

This personalised writing set can be marked by digital printing, screen printing on objects, laser engraving or pad printing according to the finish required. Recommended for companies, sports clubs, associations, events and private customers. Minimum order: 100 pieces (colours and sizes combined).
