DESCRIPTION

Twist ballpoint pen in recycled aluminium, slim format (Ø1.0 x 13.8 cm) designed for everyday office use and promotional events. The rubberised matte finish gives a comfortable grip and a refined look; it features a colour-matched clip and a metal tip with blue ink. Available in several colours, for example Black, Blue and Mint Green, the pen is lightweight while conveying a quality feel thanks to its recycled aluminium construction.

The pen has a clean, cylindrical design with a two-part body that operates via a twist mechanism. The clip makes it easy to attach to notebooks or pockets. Care is straightforward — wipe with a soft cloth — and refills are replaceable depending on the model.

This personalised pen can be marked by laser engraving or pad printing. Suitable for companies, clubs, associations, events and corporate gifts. Minimum order: 250 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; our studio can vectorise your logo.
