DESCRIPTION

The Escri Set gift set includes a ballpoint pen in recycled aluminium and a keyring in PU with a zinc alloy fitting, presented in a neat gift box. The pen uses blue ink and the set measures 17.5 x 7.5 x 2.1 cm, making it a compact option for corporate gifting or event giveaways. The item is available in several colourways, for example Black, Blue or Silver. Minimum order: 50 pieces (colours and sizes combined).

Designed for everyday use: the pen offers a straightforward grip while the keyring combines a PU strap and metal ring for secure attachment. Surfaces clean easily with a damp cloth; avoid aggressive solvents on PU and aluminium. The presentation box protects the pieces and simplifies storage and distribution at events.

You can personalise this personalised writing set using digital printing, screen printing on objects, laser engraving, pad printing or doming. Recommended for companies, sports clubs, associations, events and private customers. Minimum order 50 pieces. Free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Our studio can retouch or vectorise your logo.
