Country of origin	China
Carton	40 pieces

DESCRIPTION

Compact powerbank in recycled aluminium designed to charge smartphones, TWS earbuds and smartwatches. The Core model measures 10.4 x 6.7 x 0.85 cm and supports 20W PD wired charging and 15W wireless charging. It includes a USB-C input, USB-C cable and magnetic ring for secure attachment. Available in several colours such as Black, Matte Silver and Navy. Minimum order: 20 pieces (colours combined).

The slim, rounded profile slips easily into a pocket or bag. LED charge indicators and a conveniently placed USB-C port are visible on the edge. The recycled aluminium finish gives a durable feel and accepts marking methods well while preserving the metallic look.

Customize this personalised powerbank using digital printing, doming, laser engraving or pad printing. Ideal for companies, clubs, associations, events and client gifts; free quote within 24 hours on weekdays and option to collect at our Evere workshop or have it delivered in Belgium, France and Luxembourg.
