Coffee scoop with bag clip

Ref. 3183

Reference	3183
Composition	Stainless steel
Material	Stainless steel
Average weight	0.05
Dimensions	17.3 x 3.6 x 2.2CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

Spooncoop measuring spoon in stainless steel, designed for precise 15 ml measurements. It features a built-in clip to seal bags, helping to keep contents fresh while offering neat storage. The rounded scoop and rigid handle provide a steady grip and consistent portioning. The stainless finish is low-maintenance and suitable for handwashing and most dishwashers.

With smooth joins and a practical length, the handle reaches into jars and the clip has serrations to hold bags securely. Its compact dimensions (17.3 x 3.6 x 2.2 cm) make it easy to store in a drawer or on a shelf.

Useful as a promotional item for companies, clubs, associations or events, this kitchen utensil can be personalised by digital printing, doming, laser engraving or pad printing. Please note: minimum order 25 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo and include marking in the quote.
