Country of origin	China
Carton	20 pieces

DESCRIPTION

The Toavolt personalised speaker is a compact wireless unit (10 x 15 cm) made from recycled ABS with a textile mesh cover for a pleasant grip and even sound dispersion. Delivering 8W of power, it includes a removable rechargeable 1800 mAh battery with around 4–5 hours playback and a Bluetooth range up to 10 m. A USB-C charging cable is supplied for convenience.

The cylindrical shape features touch controls on the top for volume and power, and a flat badge area on the front designed for clear branding. The fabric grille protects the internals while maintaining a professional, unobtrusive look suitable for desktop use and events.

This personalised speaker is offered in several colours (including Black, Stone Grey, Navy Blue) with a minimum order of 10 pieces. Customisation techniques available: laser engraving, pad printing, digital printing and doming. Well suited to businesses, clubs, associations, event organisers and corporate gifting; free quote within 24 hours on weekdays, standard production and express options available.
