Average weight	0.029
Dimensions	100CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Nifty phone accessory pairs a 60W USB-C to USB-C charging and data cable with an integrated phone stand. Offering data transfer up to 480 Mbps and a 1 m cable length, it is designed for everyday professional and personal use. The stand component is made from ABS for reliable durability.

The integrated stand supports both portrait and landscape orientations, useful for video calls or hands-free viewing. The 1 m cable gives convenient reach to a charger or computer without stress on the device, and the compact form of the stand makes it easy to store or carry.

Customize this personalised phone accessory with laser engraving or pad printing — a practical giveaway for companies, clubs, associations, events and private customers. Minimum order: 100 pieces (colours and sizes combined). Our studio can prepare and vectorise your logo for production.
