Reference	3194
Composition	TPU
Material	TPU
Average weight	0.143
Dimensions	19 x 11 x 7CM
Country of origin	China
Carton	42 pieces

DESCRIPTION

Unisex ski goggles with an enveloping shape: a flexible TPU frame provides durability while the wide nylon elastic strap ensures comfortable hold over a helmet or head. The mirrored lens gives UV400 protection and a category 3 rating for bright conditions; anti-fog and anti-scratch treatments improve on-slope usability. Compact dimensions (19 x 11 x 7 cm) balance field of view and protection.

The goggles include foam padding against the face to reduce airflow and enhance comfort, with clean finishing around the nose bridge. A drawstring pouch is supplied for storage and transport.

Customisable from a minimum order of 21 pieces (colours and sizes combined), these personalised sunglasses suit companies, sports clubs, associations, events and private customers. Available marking methods: screen printing on objects, multicolour transfer, DTF printing, flex (heat transfer vinyl), digital printing, doming and pad printing. Free quote within 24 hours on weekdays; our graphics studio can prepare or vectorise your logo.
