Average weight	0.021
Dimensions	8.8 x 3.5 x 1CM
Country of origin	China
Carton	600 pieces

DESCRIPTION

The Arronsa retractable badge holder is a compact metal accessory designed to keep a badge or keys easily accessible. Its oval metal casing provides a secure feel while an internal retractable cord extends to approximately 61 cm. Casing dimensions: 8.8 x 3.5 x 1 cm. The item is available in several colours, for example black, blue or red. Practical for daily professional use, it is simple to operate and store.

The model features an alloy zinc carabiner for attaching to a belt or bag and a metal ring to secure a badge or keyring. A silicone stopper maintains cord position and protects moving parts. Care is straightforward: wipe with a damp cloth if needed.

Customisation is available by doming or tampography to apply your logo. Minimum order: 300 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and individuals seeking a personalised badge.
