Country of origin	China
Carton	160 pieces

DESCRIPTION

The Macard magnetic cardholder and stand is a compact phone accessory made from recycled ABS. It holds up to three credit cards and includes a metal ring that doubles as a kickstand for hands-free viewing. At 9.5 x 6.5 x 1 cm it remains slim and unobtrusive on the back of your device, with a matt feel and easy wipe-clean surface.

The slim case features a side opening for inserting cards and a discreet profile that preserves phone handling while allowing the ring and stand to operate freely. Its low profile makes it easy to carry in a pocket or bag and withstands regular everyday use.

Customize this personalised phone accessory using digital printing, doming or pad printing. Recommended for companies, clubs, associations and event organisers looking for a practical promotional item. Minimum order: 80 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays and our studio can retouch or vectorise your logo for printing.
