DESCRIPTION

Napolitana pizza board and cutter set in bamboo, designed for slicing and serving pizzas with ease. The board features a rounded paddle shape with a handle and radial grooves scored toward the centre to guide even slices; the cutter pairs a stainless steel wheel with a wooden handle for controlled cutting. Natural bamboo gives a warm feel and is easy to care for—wipe with a damp cloth and avoid prolonged soaking to protect the wood.

Compact dimensions 40 x 30 x 1.5 cm, sanded finish and slightly chamfered edges for comfortable handling. Suited to home use and small-scale catering at events; the stainless blade is straightforward to clean.

Customisation available by laser engraving or pad printing to add a logo, club name or message. Ideal for companies, sports clubs, associations, events and individuals — personalised kitchen utensil. Minimum order: 4 pieces (colours and sizes combined).
