DESCRIPTION

Set of 3 stainless steel kitchen utensils designed for everyday kitchen use. Both blade and handle are stainless steel, providing a continuous metallic finish and a streamlined, monobloc appearance; the gently curved handle offers an ergonomic grip. Supplied in a gift box, the Cocinero model (36x13x4 cm) is well suited to corporate gifting as well as use by clubs and private households.

The set includes three knives of differing lengths — a long slicing knife, a mid-sized prep knife and a small paring knife — with a brushed-metal look and a simple, practical design intended for professional or domestic kitchens. The construction and finish emphasise durability and understated style.

Customisable as personalised kitchen utensils by laser engraving or pad printing. Minimum order quantity: 15 pieces (colours and sizes combined). Suitable for corporate gifts, events, associations, sports clubs and private customers; we can mark the blades or the box by laser engraving (laser engraving) or pad printing (pad printing) as required.
