DESCRIPTION

Acacia wood cutting and serving board, model Asti, designed for everyday kitchen use. The rectangular shape with an integrated handle makes handling and serving simple; its slim thickness keeps it lightweight yet stable on the work surface. Acacia offers a warm-to-the-touch finish and should be wiped clean with a damp cloth — avoid the dishwasher to protect the wood.

Dimensions: 37.5 x 20 x 1.5 cm. The image shows a board with slightly rounded edges and a cut-out handle for easy hanging and storage. Natural grain patterns mean each piece has a unique appearance; the surface appears smoothly sanded for comfortable use.

Suitable as a personalised cutting board for corporate gifts, events, associations, clubs and private customers. Personalisation available by laser engraving (laser engraving / lasergraveerwerk) for a long-lasting, discreet mark. Minimum order: 10 pieces (colours and sizes combined) — see the product sheet for details and request a free weekday quote.
