DESCRIPTION

The Profile4 A4 conference folder is designed for professional use and features a polyamide and PU cover with a flexible format measuring 24.5 x 31 x 2 cm. It includes a lined 20-page notepad made from recycled paper and offers comfortable handling for meetings, appointments and training sessions. The unisex, understated design makes it a practical and durable notepad option.

The photo shows useful internal organisation: card pockets, a flap pocket and a pen holder, keeping documents and a pen easily accessible. Rounded corners and the binding make opening and handling straightforward, while the textured cover helps protect contents and reduce signs of wear.
