DESCRIPTION

Designed for professional use, this Profile5 A5 notebook combines a polyamide/PU cover with a 64-page lined notepad made from recycled paper. Its compact dimensions (15 x 22.5 x 2 cm) make it ideal for meetings and travel. The textured cover provides a secure grip and protects the inner pages while remaining understated and suitable for corporate and associative contexts.

The notebook features internal card pockets, a flap pocket and a pen loop, helping keep documents organised and a pen at hand. The flap closure keeps the notepad securely closed and the slim profile fits easily into a briefcase or bag. The cover surface is easy to wipe clean.

Available in multiple colours (e.g. black) and customisable from a minimum order of 10 pieces, we offer marking by DTF printing, digital printing, doming, laser engraving, pad printing, screen printing on objects, multicolour transfer or flex depending on the desired finish. Suitable for companies, clubs, schools, associations and group orders by individuals.
