Material	PA
Average weight	0.16
Dimensions	55 x 10 x 28CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

Urban sling bag with a compact cut designed for close carry and secure storage of essentials. Made from water-repellent nylon (PA) with a reinforced EVA base, it provides a lightweight yet protective structure. The adjustable shoulder strap allows simple length tuning and the dimensions 55 x 10 x 28 cm are suited to daily commuting and urban outings without bulk.

Visible details include neat stitching and a sturdy base that help the bag keep its shape in use. The design prioritises accessibility and mobility. It is available in several colours — for example Black, Blue and Khaki — making it easy to match corporate colours.

Personalised sling bag available from a minimum order of 25 pieces. Customisation techniques include screen printing (object), multicolour transfer, DTF printing and flex. Recommended for companies, sports clubs, associations and events; our design studio can prepare or vectorise your logo for printing.

COLOURS (3)
