DESCRIPTION

The Matcha Set (5 pieces) is designed for traditional matcha preparation: a ceramic bowl with a small pouring spout, bamboo whisk (chasen) with stand, stainless steel fine mesh strainer and a bamboo scoop. The bowl has a rounded profile and a smooth glazed finish, comfortable to handle and easy to care for. Supplied in a gift box measuring 25 x 29 x 7.5 cm, it suits personal use or gifting.

Practically, the spouted bowl facilitates pouring, the sieve removes lumps for a fine powder and the scoop ensures consistent dosing. The bamboo whisk and holder provide stable storage while natural materials complement the ceramic for a cohesive set built for repeated use.

Customisation is available by pad printing or sublimation on the bowl or the gift box, making this a suitable option for companies, clubs, associations, events and private gifts. Minimum order: 4 pieces (colours and sizes combined); free weekday quote and graphic studio available to vectorise your logo. Personalised ceramic.
