Country of origin	China
Carton	20 pieces

DESCRIPTION

The Ride Tote Bag is a practical shopping bag designed for cycling and everyday use. Made from water-repellent PU with a 10 L capacity, it is a non-textile item sized 50 x 17 x 31 cm that keeps its shape for easy packing and simple care thanks to the synthetic material.

It features a zip closure, two plastic hooks to attach to a bike rack and a PP insert for a reinforced base, ensuring the bag keeps its form when loaded. Wide handles allow comfortable hand carrying. The product is offered in one colour (black) and the listed dimensions and composition are provided on the product sheet.

Order a personalised shopping bag using screen printing on objects or embossing, techniques well suited to PU. Ideal for companies, sports clubs, associations and events looking for a functional branded item. Minimum order quantity: 10 pieces (colours and sizes combined). Graphic studio support is available to prepare your artwork.

COLOURS (1)

Black
