DESCRIPTION

The Ride Backpack is a water-repellent PU backpack designed for everyday professional use. Its upright shape and 20L capacity include a padded compartment for a 15" laptop, plus a zipped front pocket and a rear zipped pocket for organised storage. Padded shoulder straps and hook-and-loop fastening straps provide secure, comfortable carrying, while a trolley sleeve lets you attach the bag to suitcase handles when travelling. Dimensions 30x15x44 cm; PU surface cleans easily with a damp cloth.

Practical details include discreet seams, a water-resistant zip on the front pocket and side compression straps for load management. The reinforced base improves stability when loaded, and durable zips suit frequent use. The understated look is appropriate for corporate, educational and event settings.

This personalised backpack can be marked by screen printing on objects or by embossing. Minimum order: 10 pieces (across colours). Suitable for companies, clubs, associations, schools and private customers. Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
