27" auto umbrella wood handle

Ref. 3220

Reference	3220
Composition	PET
Material	PET
Average weight	0.55
Dimensions	118CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

27" umbrella with a 118 cm canopy designed to provide broad coverage. Automatic opening mechanism, PET pongee 190T canopy engineered for wind resistance, with fiberglass ribs and shaft for durability and a straight Schima wood handle for a comfortable grip. Available in several colours — for example brown, black or blue — suitable for everyday professional use and promotional events.

The fiberglass frame reduces deformation in windy conditions; the canopy can be surface-cleaned with a damp cloth avoiding aggressive solvents. With a generous 118 cm span and a straightforward finish, this umbrella is practical for reception areas, outdoor events and corporate giveaways.

Customisation options include screen printing (object), multicolour transfer, DTF printing or flex depending on the desired effect. This item is not available per piece: minimum order 10 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations, events and corporate gifts — our studio can retouch or vectorise your logo if required.
