DESCRIPTION

Compact four-year desk calendar in kraft paper, designed for daily use on a desk or counter. Unisex format 16.8 x 11 x 0.7 cm with wire binding and a fold-out easel base: it stands securely and lets you consult weeks across multiple years at a glance. The calendar includes content in 7 languages and the paper pages allow for occasional notes or markings.

The kraft paper construction with a metal spiral provides a straightforward, durable finish: pages turn easily, the base stays stable when opened and the slim profile is convenient for storage. The natural kraft look fits well in professional, associative or event settings.

This personalised paper desk accessory can be customised using digital printing, doming or pad printing. Ideal for companies, sports clubs, associations and promotional events. Minimum order 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can vectorise your logo and prepare files for production.
