## DESCRIPTION

Compact reading torch in ABS featuring a flexible body and a fastening clip for attaching to a book, pocket or strap. It offers three lighting levels and runs on a replaceable rechargeable 300 mAh battery. The streamlined housing includes a tactile control button and a visible charging port for convenient recharging.

The flexible neck lets you aim the beam precisely, while the battery compartment is accessible for replacement. The clip provides secure attachment during transport. Available in several colours, such as Black and White. This is a non-textile item with a minimum order quantity of 100 pieces (colours and sizes combined).

Customise this torch with digital printing, doming or pad printing depending on the finish required. Suitable for companies, sports clubs, associations, events and promotional gifts; our studio can retouch or vectorise your logo prior to production.
