DESCRIPTION

The Riocolour ballpen is made from recycled ABS and designed for everyday office or event use. It features a push-button mechanism, blue ink and a soft grip section for comfortable writing. Compact dimensions Ø1.3 x 14 cm make it lightweight and easy to carry in a pocket or notebook.

The pen shows a metal clip and chrome trims giving a professional look. The glossy ABS body contrasts with the matte grip for secure handling; the push mechanism and tip are visible in the image. Care is straightforward: wipe with a soft cloth to remove marks.
