DESCRIPTION

Pre-moistened cleansing wipes supplied in a single pouch, classified as a cosmetic item and designed for on-the-go use. Each wipe unfolds to 15 x 20 cm while the sealed pouch measures approximately 15 x 7.5 cm. The packaging is made of PE and features a resealable flap to retain moisture, with welded edges and a central opening for easy dispensing. Single-use product to be discarded after use.

The flat, resealable pack is practical for storage in a pocket, bag or hygiene kit and suits distribution at events or in guest amenities. The format and closure make handling simple and ensure the wipes remain moist until first opening.

Customisation available via digital printing on the pouch. Ideal as promotional items for companies, clubs, associations, events and private customers.
