DESCRIPTION

The Ives organic beanie is a unisex single-layer beanie knitted in 2x2 rib from organic cotton at 7 gauge, offering durable structure with a soft, breathable feel. The double-folded cuff provides comfortable warmth without bulk, and the brand loop label gives a neat finishing touch. Care according to the manufacturer's guidance will help maintain the cotton's softness.

To create a custom / personalised beanie with logo, we offer multiple decoration methods: embroidery, DTF printing, flex, screen printing, screen-print transfers (single and multicolour) and embroidered patches. Ideal for companies, sports clubs, associations, schools, youth movements, events and individuals; our artwork studio can also vectorise or retouch your logo for an optimal result.
