DESCRIPTION

The Mighty LED knit beanie is a unisex accessory combining warmth with practical features. Made from 1x1 rib acrylic knit (92 g/m2) in a double-layer construction, it provides comfort and insulation for cold-weather use. Its removable LED light, stored in the cuff, offers three brightness settings and can be easily removed for washing and recharged via USB-A. Practical to wear and stylish, this beanie suits evening walks and outdoor activities. This custom / personalised beanie with logo is a functional addition to any winter wardrobe.

Personalise this beanie using professional techniques: embroidery, DTF printing, flex, screen printing, screen-print transfers (single-colour and multicolour), embroidered patches, pad printing or digital printing on objects. Ideal for businesses, sports clubs, associations, schools, youth movements, events and private customers. YourVisualHere provides a graphic studio to retouch and vectorise logos, free quotes within 24 hours on weekdays and clear marking details in the quote.
