DESCRIPTION

The recycled Wicklow UV bucket hat combines comfort with sustainability: made from cotton twill comprising 70% recycled cotton and 30% recycled polyester (240 g/m²), it is designed for a comfortable fit with a 60 cm head circumference. Suitable for everyday wear and easy care, it includes an Aware™ tracker with a QR code to trace the product's origin and journey, adding transparency to the supply chain.

As a custom / personalised recycled UV bucket hat with logo, we can apply embroidery, DTF printing, flex, screen printing (1-colour and multicolour), screen print transfers, embroidered badges, pad printing and digital printing on objects. Ideal for companies, sports clubs, associations, schools, events and private customers. No minimum order, free quotation within 24 hours on weekdays, collection at our Evere workshop or delivery to Belgium, France and Luxembourg. Our studio can retouch or vectorise your logo.
