DESCRIPTION

The 6-panel Drift Snapback cap (260 g/m²) offers a clean, structured look suited to a modern silhouette. Constructed from 100% cotton twill (260 g/m²) with polyester mesh contrast panels, it combines durability with breathability. The flat peak and snap closure provide easy adjustability and everyday comfort. The cap includes an Aware™ tracer for transparent production tracking and retains its structured shape with regular use.

To create a custom / personalised cap with logo we provide embroidery, embroidered patches, pad printing, flex, DTF printing, screen printing, screen-print transfers (single and multicolour) and digital printing on items. Ideal for companies, sports clubs, associations, schools, events and private individuals, it suits both discreet and bold logo placements.
