DESCRIPTION

The Marisol sun hat is a lightweight, versatile accessory designed for sunny or wet conditions. Made from taslon 100% nylon (105 g/m2), it delivers a soft feel, good breathability and quick-drying performance for all-day comfort. Its built-in UPF 50 sun protection and water-resistant qualities make it a practical choice for hiking, travel or everyday wear. Each hat includes an Aware™ tracer to ensure transparency in its responsible production journey.

Order a custom / personalised sun hat with logo using embroidery, DTF printing, flex, screen printing, screen-print transfers (1 colour and multicolour), embroidered patches, pad printing or digital printing on objects. Suitable for businesses, sports clubs, associations, events and private customers; free quotes and an in-house design studio are available to prepare or vectorise your logo.
