DESCRIPTION

The Solara nylon cap is a lightweight, protective accessory designed for trips and everyday activities. Made from taslon 100% nylon (105 g/m2), it delivers a soft, breathable and quick-drying fabric with built-in sun and rain protection for reliable comfort in varying conditions. Easy to care for, it suits travel, hiking and urban wear while remaining comfortable to wear.

Offer a custom / personalised cap with logo using embroidery, DTF, flex, screen printing, screen-print transfers (1-colour and multicolour), embroidered patches, pad printing or digital printing on objects. Ideal for companies, sports clubs, associations, events and private customers, YourVisualHere also provides logo vectorisation and a graphic studio for precise branding.
