DESCRIPTION

The Waterman ballpoint refill is a metal cartridge designed to deliver a smooth, reliable writing experience with a 0.7 mm (medium) tip and the supplier-stated writing length. Supplied in a blister pack, it fits compatible pens and is easy to replace. Store dry and away from heat to preserve the ink. Suitable for everyday use in the office, at school or at home, it provides comfortable, consistent performance.

Offer a custom / personalised cartridge with logo using suitable marking techniques such as tampography, screen printing and digital printing on objects, which work well on metal surfaces. Ideal for businesses, sports clubs, associations, events and individuals looking for a promotional item or personalised gift. Free quotes and a graphic studio are available to refine your logo.
