DESCRIPTION

Men’s jersey jacket in a slim cut, designed for professional and formal settings. The viscose/polyamide/elastane blend delivers high elasticity and a clean drape while maintaining comfort. The jacket features two patch pockets and a plain back with topstitched seams that give structure without bulk. It’s available in several colours, for example Black, Grey and Navy, and sizes from 46 FR to 62/64 FR.

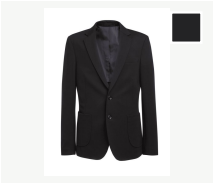

Functional details include a plain cuff with a vent, visible stitching and a two-button front for a smart appearance. The jersey construction provides greater freedom of movement than traditional woven suiting, making it practical for events, receptions or everyday professional wear.
