DESCRIPTION

This unisex crew neck T-shirt is made from 100% ring-spun cotton with a relaxed fit and substantial hand-feel, designed for everyday wear. The ribbed neck with twin-needle stitching and shoulder-to-shoulder reinforcement improve garment stability, while side seams provide a better shape. A removable label simplifies rebranding for retailers or clubs. Available in sizes XS to XXL and multiple colourways, it fits a wide range of professional and event uses.

The tee features straightforward, durable finishes: classic crew neck, short sleeves and stitched hems. Its straight cut and consistent knit help maintain shape through regular washing when cared for as typical cotton items.

As a personalised T-shirt it can be decorated from one piece using screen print transfers, MSO transfers, DTF printing or flex. Suited to companies, sports clubs, associations, schools and private customers; our design studio can vectorise or retouch your logo prior to production.
