DESCRIPTION

Unisex bucket hat in organic cotton with a soft, relaxed fit and a wide, angled brim for sun protection. The 98% cotton / 2% elastane blend gives a subtle stretch for comfort and a natural drape; supplied in one size with an adaptable fit that suits different head shapes. Care is straightforward, consistent with cotton garments.

The fabric shows a visible weave and neat topstitching that reinforce the brim and structure. The hat remains supple and folds compactly for easy carrying and storage without losing its shape.

Have this personalised bucket hat finished by DTF printing, screen printing (transfer), MSO transfers, flex (heat transfer) or embroidery — ideal for companies, sports clubs, associations, events and private customers. Available from one piece; our studio can vectorise or retouch your logo.
