DESCRIPTION

Unisex hat with a wide, flat brim, designed to provide sun protection while remaining breathable. Made from a cotton-elastane blend, it sits comfortably in one size with decorative stitching that structures the crown and metal eyelets for ventilation. The adjustable chin cord secures the hat in windy conditions.

The visible seam finishes and brim construction give the hat a utilitarian look, suitable for outdoor activities, festivals or fieldwork where practical protection is required. The cotton-rich fabric makes it easy to care for and reliable in everyday use.

This personalised hat is suitable for embroidery on the crown or brim. It can be customised from one piece, making it appropriate for companies, sports clubs, associations, events and individuals. Our design studio can retouch or vectorise your logo and integrate the embroidery on a wide range of textile items.

KEY FEATURES

- Ventilation eyelets to prevent sweating.
