DESCRIPTION

The round keyring is made from polished metal with a highly glossy finish, giving it a neat and durable appearance. Compact and lightweight, it fits easily in a pocket or attached to a bag. The smooth surface makes care simple: a quick wipe restores the metal's shine. As a daily accessory, this custom / personalised round keyring with logo provides a professional or elegant way to display a design.

Customization options include tampography, laser engraving and doming, all suitable for glossy metal surfaces. Ideal for companies, sports clubs, associations, events and private customers looking for a branded or gift keyring. We produce the print and finishing to match your logo or artwork.
