DESCRIPTION

High-visibility category 2 safety vest designed for professional use, featuring a fluorescent background and reflective tape to enhance visibility. Sized to fit people 165–180 cm with a practical hook-and-loop fastening and large printable areas on the front and back. Made from polyester for a lightweight yet durable garment suitable for everyday use on worksites or during outdoor tasks; easy to care for and built for functional wear. This custom / personalised high-visibility vest with logo delivers safety and practicality for demanding environments.

Personalise the vest with our in-house studio using these techniques: screen printing (object), multicolour transfer, embroidery and DTF printing. Ideal for businesses, sports clubs, associations, events and private individuals seeking professional visibility and clear front-and-back branding for logos or messages.
