DESCRIPTION

The William men's jacket features a tailored, slim cut for a modern professional look. This men's suit jacket is made from a polyester/viscose blend with 5% Lycra for ease of movement, is fully lined and fastens with two buttons with peaked lapels. It comes in several colour options including Denim and Sand and in sizes 44 to 58 FR. The fabric is stretchy yet highly durable, providing a smart appearance and comfortable wear; follow the manufacturer's care instructions.

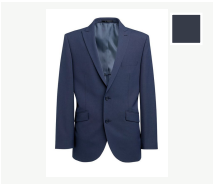

Details include two rear side vents, two angled flap pockets on the front and two inner pockets for small essentials. Lined construction and precise seams help maintain shape and resist wear in regular use.

This personalised suit can be customized from one piece and suits companies, sports clubs, associations, events and private clients. Available decoration techniques: embroidery, DTF printing, screen printing transfers, flex and MSO transfer. Our studio can also redraw or vectorise your logo.
