Heart stress reliever

Ref. 544334

Reference	544334
Composition	PU plastic foam
Material	PU plastic foam
Average weight	21
Dimensions	6,5 x 5 x 7 cm
Country of origin	Chine
Carton	240 pieces

DESCRIPTION

The heart-shaped stress foam is made from PU plastic foam and is designed for manual squeezing to relieve tension. Its heart cut provides a comfortable grip and a soft feel; the foam may show slight variations in density, weight or size. Printing can be uneven and may deteriorate over time; gradients are not possible. Not suitable for children under three years old.

As a custom / personalised heart stress toy with logo we offer tampography and laser engraving depending on the finish required. Perfect for companies, sports clubs, associations, events and private individuals looking for a distinctive promotional item.
